Be assured my commitment to you is to take the photos you want and will treasure. I will take both candid and formal shots on your wedding day. We will discuss before your wedding the type of photos you'd like and draw up a list of specific ones you don't want me to miss. I will take an unlimited amount of photos (usually about 60/hour). Please visit my website to learn more about me and my work.

*There is a \$200 non-refundable deposit due when a contract for services is signed. The rest of the fee is due on or before your wedding day.*
